Instructions For Template Set Up:

1. Art MUST fit within the margin and bleed parameters shown on template. See example below.
   - **Green line* is inside margin. Leave 1/8 inch inside margin from the edges of the magnet on all sides for live art (all pertinent information must fit within the 1/8" inside margin).**
   - **Pink line* is bleed requirement. If you want the art to bleed (have imprint run off the edges of the magnet), give art an 1/8 inch outside margin on all sides.**
   - **Gray line* is where the magnet will be die cut for final production.**
   Note: Required margins/bleeds are 1/8" each. Art received without the 1/8" margin/bleed space will be adjusted for die cutting production.
